

take the scenic route  
live in the moment  
see only the good

the journey is the destination  
there is beauty in simplicity

be fearless  
never give up  
be original  
be amazing

remember to play  
embrace beautiful chaos  
collect beautiful moments

do what you love  
stronger than yesterday  
creativity takes courage

attitude is everything  
out of limitations comes creativity

move ever forward  
be brave  
live in the moment

fly high, fly free  
use your wings  
make a wish

life is an adventure  
adventure awaits  
let the adventure begin

find the joy in every day  
shine bright  
leave a little sparkle

hold on to your dreams  
just breathe  
follow your heart

joyful moments  
beautiful day  
happy life
